SCHEDULE

The **Exception Covering Certain Fire Losses** (Paragraph C) applies to property located in the following state(s), if covered under the indicated Coverage Form, Coverage Part or Policy:

State(s)	Coverage Form, Coverage Part Or Policy
Information required to complete this Schedule, if not shown above, will be shown in the Declarations.	

A. The following definition is added with respect to the provisions of this endorsement:

"Certified act of terrorism" means an act that is certified by the Secretary of the Treasury, in accordance with the provisions of the federal Terrorism Risk Insurance Act, to be an act of terrorism pursuant to such Act. The criteria contained in the Terrorism Risk Insurance Act for a "certified act of terrorism" include the following:

1. The act resulted in insured losses in excess of \$5 million in the aggregate, attributable to all types of insurance subject to the Terrorism Risk Insurance Act; and
2. The act is a violent act or an act that is dangerous to human life, property or infrastructure and is committed by an individual or individuals as part of an effort to coerce the civilian population of the United States or to influence the policy or affect the conduct of the United States Government by coercion.

B. The following exclusion is added:

CERTIFIED ACT OF TERRORISM EXCLUSION

We will not pay for loss or damage caused directly or indirectly by a "certified act of terrorism". Such loss or damage is excluded regardless of any other cause or event that contributes concurrently or in any sequence to the loss.

C. Exception Covering Certain Fire Losses

The following exception to the exclusion in Paragraph B. applies only if indicated and as indicated in the Schedule of this endorsement.

If a "certified act of terrorism" results in fire, we will pay for the loss or damage caused by that fire. Such coverage for fire applies only to direct loss or damage by fire to Covered Property. Therefore, for example, the coverage does not apply to insurance provided under Business Income and/or Extra Expense coverage forms or endorsements which apply to those forms, or to the Legal Liability Coverage Form or the Leasehold Interest Coverage Form.

If aggregate insured losses attributable to terrorist acts certified under the Terrorism Risk Insurance Act exceed \$100 billion in a calendar year and we have met our insurer deductible under the Terrorism Risk Insurance Act, we shall not be liable for the payment of any portion of the amount of such losses that exceeds \$100 billion, and in such case insured losses up to that amount are subject to pro rata allocation in accordance with procedures established by the Secretary of the Treasury.

D. Application Of Other Exclusions

The terms and limitations of any terrorism exclusion, or the inapplicability or omission of a terrorism exclusion, do not serve to create coverage for any loss which would otherwise be excluded under this Coverage Part or Policy, such as losses excluded by the Nuclear Hazard Exclusion or the War And Military Action Exclusion.

COMMERCIAL PROPERTY CONDITIONS

This Coverage Part is subject to the following conditions, the Common Policy Conditions and applicable Loss Conditions and Additional Conditions in Commercial Property Coverage Forms.

A. CONCEALMENT, MISREPRESENTATION OR FRAUD

This Coverage Part is void in any case of fraud by you as it relates to this Coverage Part at any time. It is also void if you or any other insured, at any time, intentionally conceal or misrepresent a material fact concerning:

1. This Coverage Part;
2. The Covered Property;
3. Your interest in the Covered Property; or
4. A claim under this Coverage Part.

B. CONTROL OF PROPERTY

Any act or neglect of any person other than you beyond your direction or control will not affect this insurance.

The breach of any condition of this Coverage Part at any one or more locations will not affect coverage at any location where, at the time of loss or damage, the breach of condition does not exist.

C. INSURANCE UNDER TWO OR MORE COVERAGES

If two or more of this policy's coverages apply to the same loss or damage, we will not pay more than the actual amount of the loss or damage.

D. LEGAL ACTION AGAINST US

No one may bring a legal action against us under this Coverage Part unless:

1. There has been full compliance with all of the terms of this Coverage Part; and
2. The action is brought within 2 years after the date on which the direct physical loss or damage occurred.

E. LIBERALIZATION

If we adopt any revision that would broaden the coverage under this Coverage Part without additional premium within 45 days prior to or during the policy period, the broadened coverage will immediately apply to this Coverage Part.

F. NO BENEFIT TO BAILEE

No person or organization, other than you, having custody of Covered Property will benefit from this insurance.

G. OTHER INSURANCE

1. You may have other insurance subject to the same plan, terms, conditions and provisions as the insurance under this Coverage Part. If you do, we will pay our share of the covered loss or damage. Our share is the proportion that the applicable Limit of Insurance under this Coverage Part bears to the Limits of Insurance of all insurance covering on the same basis.
2. If there is other insurance covering the same loss or damage, other than that described in 1. above, we will pay only for the amount of covered loss or damage in excess of the amount due from that other insurance, whether you can collect on it or not. But we will not pay more than the applicable Limit of Insurance.

H. POLICY PERIOD, COVERAGE TERRITORY

Under this Coverage Part:

1. We cover loss or damage commencing:
 - a. During the policy period shown in the Declarations; and
 - b. Within the coverage territory.
2. The coverage territory is:
 - a. The United States of America (including its territories and possessions);
 - b. Puerto Rico; and
 - c. Canada.

I. TRANSFER OF RIGHTS OF RECOVERY AGAINST OTHERS TO US

If any person or organization to or for whom we make payment under this Coverage Part has rights to recover damages from another, those rights are transferred to us to the extent of our payment. That person or organization must do everything necessary to secure our rights and must do nothing after loss to impair them. But you may waive your rights against another party in writing:

1. Prior to a loss to your Covered Property or Covered Income.
2. After a loss to your Covered Property or Covered Income only if, at time of loss, that party is one of the following:
 - a. Someone insured by this insurance;
 - b. A business firm:
 - (1) Owned or controlled by you; or
 - (2) That owns or controls you; or
 - c. Your tenant.

This will not restrict your insurance.

**THIS ENDORSEMENT CHANGES THE POLICY. PLEASE READ IT CAREFULLY.
CHANGES – ELECTRONIC DATA**

This endorsement modifies insurance provided under the following:

COMMERCIAL PROPERTY COVERAGE PART
STANDARD PROPERTY POLICY

- A.** Under this endorsement, electronic data means information, facts or computer programs stored as or on, created or used on, or transmitted to or from computer software (including systems and applications software), on hard or floppy disks, CD-ROMs, tapes, drives, cells, data processing devices or any other repositories of computer software which are used with electronically controlled equipment. The term computer programs, referred to in the foregoing description of electronic data, means a set of related electronic instructions which direct the operations and functions of a computer or device connected to it, which enable the computer or device to receive, process, store, retrieve or send data. For the purpose of this endorsement, the term electronic data does not include your "stock" of prepackaged software.
- B.** This Section, **B.**, and the following Sections **C.** and **D.**, apply to the Building And Personal Property Coverage Form, Condominium Association Coverage Form, Condominium Unit-Owners Coverage Form, the Causes of Loss Forms and the Standard Property Policy. Paragraphs **B.1.** and **B.2.** supersede any provisions relating to electronic data, electronic media or valuable papers or records, including any such provisions under Property Not Covered, Coverage Extensions, Valuation Conditions or Limitations in the aforementioned forms.
1. Covered Property does not include electronic data, except as provided below in **C.**, Limited Coverage – Electronic Data.
 2. Covered Property does not include the cost to replace or restore the information on valuable papers and records, including those which exist as electronic data. Valuable papers and records include but are not limited to proprietary information, books of account, deeds, manuscripts, abstracts, drawings and card index systems. However, limited coverage for valuable papers and records, other than those which exist as electronic data, is provided below in **D.**, Limited Coverage – Valuable Papers And Records (Other Than Electronic Data).
- C. Limited Coverage – Electronic Data**
1. Subject to the provisions of this Limited Coverage, we will pay for the cost to replace or restore electronic data which has been destroyed or corrupted by a Covered Cause of Loss. To the extent that electronic data is not replaced or restored, the loss will be valued at the cost of replacement of the media on which the electronic data was stored, with blank media of substantially identical type.
 2. The Covered Causes of Loss applicable to Your Business Personal Property apply to this Limited Coverage – Electronic Data, subject to the following:
 - a. If the Causes of Loss – Special Form applies, coverage under this Limited Coverage – Electronic Data is limited to the "specified causes of loss" as defined in that Form, and Collapse as set forth in that Form.
 - b. If the Causes of Loss – Broad Form applies, coverage under this Limited Coverage – Electronic Data includes Collapse as set forth in that Form.
 - c. If the Causes of Loss Form is endorsed to add a Covered Cause of Loss, the additional Covered Cause of Loss does not apply to the coverage provided under this Limited Coverage – Electronic Data.
 - d. The Covered Causes of Loss include a virus, harmful code or similar instruction introduced into or enacted on a computer system (including electronic data) or a network to which it is connected, designed to damage or destroy any part of the system or disrupt its normal operation. But there is no coverage for loss or damage caused by or resulting from manipulation of a computer system (including electronic data) by any employee, including a temporary or leased employee, or by an entity retained by you or for you to inspect, design, install, modify, maintain, repair or replace that system.

3. The most we will pay under this Limited Coverage – Electronic Data is \$2,500 for all loss or damage sustained in any one policy year, regardless of the number of occurrences of loss or damage or the number of premises, locations or computer systems involved. If loss payment on the first occurrence does not exhaust this amount, then the balance is available for subsequent loss or damage sustained in but not after that policy year. With respect to an occurrence which begins in one policy year and continues or results in additional loss or damage in a subsequent policy year(s), all loss or damage is deemed to be sustained in the policy year in which the occurrence began.

D. Limited Coverage – Valuable Papers And Records (Other Than Electronic Data)

1. You may extend the insurance that applies to Your Business Personal Property to apply to the cost to replace or restore the lost information on valuable papers and records for which duplicates do not exist. But this Limited Coverage does not apply to valuable papers and records which exist as electronic data.
2. If the Causes of Loss – Special Form applies, coverage under this Limited Coverage is limited to the "specified causes of loss" as defined in that Form, and Collapse as set forth in that Form.
3. If the Causes of Loss – Broad Form applies, coverage under this Limited Coverage includes Collapse as set forth in that Form.
4. Under this Limited Coverage, the most we will pay to replace or restore the lost information is \$2,500 at each described premises, unless a higher limit is shown in the Declarations. Such amount is additional insurance. We will also pay for the cost of blank material for reproducing the records (whether or not duplicates exist), and (when there is a duplicate) for the cost of labor to transcribe or copy the records. The costs of blank material and labor are subject to the applicable Limit of Insurance on Your Business Personal Property and therefore coverage of such costs is not additional insurance.

- E.** With respect to the Business Income and/or Extra Expense Coverage Forms, the Loss Condition titled Limitation – Electronic Media And Records is deleted and the following exclusion is added:

Exclusion – Interruption Of Computer Operations

1. Coverage for Business Income does not apply when a "suspension" of "operations" is caused by destruction or corruption of electronic data, or any loss or damage to electronic data, except as provided below in **F.**, Limited Coverage –

2. Coverage for Extra Expense does not apply when action is taken to avoid or minimize a "suspension" of "operations" caused by destruction or corruption of electronic data, or any loss or damage to electronic data, except as provided below in **F.**, Limited Coverage – Interruption Of Computer Operations.

F. Limited Coverage – Interruption Of Computer Operations

This Limited Coverage applies only to the Business Income and/or Extra Expense Coverage Forms.

1. Subject to all provisions of this Limited Coverage, you may extend the insurance that applies to Business Income and/or Extra Expense to apply to a "suspension" of "operations" caused by an interruption in computer operations due to destruction or corruption of electronic data due to a Covered Cause of Loss.
2. With respect to the coverage provided under this Limited Coverage, the Covered Causes of Loss are subject to the following:
 - a. If the Causes of Loss – Special Form applies, coverage under this Limited Coverage – Interruption Of Computer Operations is limited to the "specified causes of loss" as defined in that Form, and Collapse as set forth in that Form.
 - b. If the Causes of Loss – Broad Form applies, coverage under this Limited Coverage – Interruption Of Computer Operations includes Collapse as set forth in that Form.
 - c. If the Causes of Loss Form is endorsed to add a Covered Cause of Loss, the additional Covered Cause of Loss does not apply to the coverage provided under this Limited Coverage – Interruption Of Computer Operations.
 - d. The Covered Causes of Loss include a virus, harmful code or similar instruction introduced into or enacted on a computer system (including electronic data) or a network to which it is connected, designed to damage or destroy any part of the system or disrupt its normal operation. But there is no coverage for an interruption related to manipulation of a computer system (including electronic data) by any employee, including a temporary or leased employee, or by an entity retained by you or for you to inspect, design, install, maintain, repair or replace that system.

Interruption Of Computer Operations.

3. The most we will pay under this Limited Coverage – Interruption Of Computer Operations is \$2,500 for the total of all loss sustained and/or expense incurred in any one policy year, regardless of the number of interruptions or the number of premises, locations or computer systems involved. If loss payment relating to the first interruption does not exhaust this amount, then the balance is available for loss or expense sustained or incurred as a result of subsequent interruptions in that policy year. A balance remaining at the end of a policy year does not increase the amount of insurance in the next policy year. With respect to any interruption which begins in one policy year and continues or results in additional loss or expense in a subsequent policy year(s), all loss and expense is deemed to be sustained or incurred in the policy year in which the interruption began.
4. This Limited Coverage – Interruption Of Computer Operations does not apply to loss sustained or expense incurred after the end of the "period of restoration", even if the amount of insurance stated in **3.** above has not been exhausted.
- G. Under the Legal Liability Coverage Form and the Mortgageholders Errors And Omissions Coverage Form, Covered Property does not include electronic data.
- H. If this policy is endorsed to cover damage to Covered Property or Business Income loss or Extra Expense caused by or related to interruption in utility service, such coverage does not apply to destruction or corruption of (or any loss or damage to) electronic data.
- I. If this policy is endorsed to cover Business Income loss or Extra Expense related to "suspension" of "operations" due to loss or damage to a "dependent property", such coverage does not apply when the only loss to "dependent property" is destruction or corruption of (or any loss or damage to) electronic data. If the "dependent property" sustains loss or damage to electronic data and other property, coverage under the "dependent property" endorsement will not continue once the other property is repaired, rebuilt or replaced.

THIS ENDORSEMENT CHANGES THE POLICY. PLEASE READ IT CAREFULLY.

FUNGUS, WET ROT, DRY ROT, AND BACTERIA EXCLUSION AND LIMITED
ADDITIONAL COVERAGE

This Endorsement modifies insurance provided under all Coverage Parts:

A. The following Exclusion is added:

EXCLUSION – “Fungus”, Wet Rot, Dry Rot and Bacteria

We will not pay for loss or damage caused directly or indirectly by the presence, growth, proliferation, spread or any activity of “fungus”, wet or dry rot or bacteria. Such loss or damage is excluded regardless of any other cause or event that contributes concurrently or in any sequence to the loss. But if “fungus”, wet or dry rot or bacteria results in a “covered cause of loss”, we will pay for the direct physical loss or damage caused by the “covered cause of loss”.

This exclusion does not apply:

1. When “fungus”, wet or dry rot or bacteria results from fire or lightning; or
2. To the extent that coverage is provided in the Additional Coverage – Limited Coverage for “Fungus”, Wet Rot, Dry Rot and Bacteria with respect to direct physical loss or damage by a cause of loss other than fire or lightning.

B. The following Additional Coverage is added:

1. This Additional Coverage applies only when the “fungus”, wet or dry rot or bacteria is the result of one or more of the following causes that occurs during the policy period and only if:
 - a) all reasonable means were used to save and preserve the property from further damage at the time of and after that occurrence, and;
 - b) only if any loss resulting from the following is reported to us within 60 days of the occurrence:
 - i. A “covered cause of loss” other than fire or lightning; or
 - ii. Flood, if the Flood Coverage Endorsement applies to the affected premises.
2. Under conditions described in item B.1. above, we will pay for loss or damage by “fungus”, wet or dry rot or bacteria. As used in the Additional Coverage, the term loss or damage means:

- a. Direct physical loss or damage to Covered Property caused by "fungus", wet or dry rot or bacteria, including the cost of removal of the "fungus", wet or dry rot or bacteria;
 - b. The cost to tear out and replace any part of the building or other property as needed to gain access to the "fungus", wet or dry rot or bacteria; and
 - c. The cost of testing performed after removal, repair, replacement or restoration of the damaged property is completed, provided there is a reason to believe that "fungus", wet or dry rot or bacteria are present.
3. The coverage provided under this Additional Coverage is limited to \$15,000. Regardless of the number of claims, this limit is the most we will pay for the total of all loss or damage arising out of all occurrences which take place in a 12-month period (starting with the beginning of the present annual policy period). With respect to a particular occurrence of loss which results in "fungus", wet or dry rot or bacteria, we will not pay more than a total of \$15,000 even if the "fungus", wet or dry rot or bacteria continues to be present or active, or recurs, in a later policy period.
 4. The coverage provided under this Additional Coverage does not increase the applicable Limit of Insurance on any Covered Property. If a particular occurrence results in loss or damage by "fungus", wet or dry rot or bacteria, and other loss or damage, we will not pay more for the total of all loss or damage, than the applicable Limit of Insurance on the effected Covered Property.

If there is covered loss or damage to Covered Property, not caused by "fungus", wet or dry rot or bacteria, loss payment will not be limited by the terms of this Additional Coverage, except to the extent that "fungus", wet or dry rot or bacteria causes an increase in the loss. Any such increase in the loss will be subject to terms of this Additional Coverage.

- C. The following definition is added:

"Fungus" means any type or form of fungus, including mold or mildew, and any mycotoxins, spores, scents or by-products produced or released by fungi.

All other terms and conditions of this policy remain unchanged.

The Limit of Liability or Amount of Insurance shown on the Declarations Page of this policy, or endorsed onto this policy, is the total limit of the Company's liability applicable to each occurrence. Notwithstanding any other terms and conditions of this policy, in no event shall the liability of the Company exceed this limit or amount, irrespective of the number of locations involved.

The term "occurrence" shall mean any one loss, disaster, casualty or series of losses, disasters or casualties, arising out of one cause. The duration and extent of any one loss, disaster, casualty or series of losses, disasters or casualties will be limited to all losses, disasters or casualties, or series of losses, disasters, or casualties occurring during any period of 168 consecutive hours arising out of, and directly resulting from, the same event. When the term applies to a loss, disaster or casualty, or a series of losses, disasters or casualties, from the perils of tornado, cyclone, hurricane, windstorm, hail, flood, earthquake, volcanic eruption, riot, riot attending a strike, civil commotion, and vandalism and malicious mischief, one event shall be construed to be all losses arising during a continuous period of 72 hours. When filing proof of loss, the insured may elect the moment at which the 72 hour period shall be deemed to have commenced, which shall not be earlier than when the first loss occurs to any covered property.

2. The premium for this policy is based upon the Statement of Values on file with Company, or attached to this policy, in the event of loss hereunder, liability of the company, subject to the terms of paragraph one (1) above, shall be limited to the least of the following:

SEEPAGE AND/OR POLLUTION AND/OR CONTAMINATION EXCLUSION:

Notwithstanding any provision in the Policy to which this Endorsement is attached, this Policy does not insure against loss, damage, costs, fines, penalties, or expenses in connection with any kind or description of seepage and/or pollution and/or contamination, direct or indirect, arising from any cause whatsoever.

Nevertheless, if fire is not excluded from this Policy and a fire arises directly or indirectly from seepage and/or pollution and/or contamination, any direct physical loss or damage insured under this Policy arising directly from that fire shall (subject to the terms, conditions and limitations of the Policy) be covered.

However, if the insured property is the subject of direct physical loss or damage for which underwriters have paid or agreed to pay, then this Policy (subject to its terms, conditions and limitations) insures against direct physical loss or damage to the property Insured hereunder caused by resulting seepage and/or pollution and/or contamination. The Insured shall give notice to the underwriters of intent to claim NO LATER THAN TWELVE (12) MONTHS AFTER THE DATE OF THE ORIGINAL PHYSICAL LOSS OR DAMAGE.

POLLUTANT means any solid, liquid gaseous, or thermal irritant or contaminant, including smoke, vapor, soot, fumes, acids, alkalis, chemicals and waste. Waste includes material to be recycled, reconditioned or reclaimed.”

DEBRIS REMOVAL AND COST OF CLEAN UP EXTENSION:

Notwithstanding the provisions of the preceding Exclusion in this Endorsement or any provision respecting seepage and/or pollution and/or contamination, and or debris removal and/or clean up in the Policy to which this Endorsement is attached, in the event of direct physical loss or damage to Covered Property, this Policy (subject otherwise to its terms, conditions and limitations, including but not limited to any applicable deductible) also covers, subject to the applicable limits:

1. Expenses incurred in removal of debris of the property insured hereunder destroyed or damaged from the premises of the Insured; and/or
2. Cost of clean-up, at the premises of the Insured, made necessary as a result of such loss or damage,

provided that this Policy does not insure against the costs of decontamination or removal of water, soil, or any other substance on or under such premises.

It is a condition precedent to recovery under this Extension that the Underwriters shall have paid or agreed to pay for physical loss or damage to the property insured hereunder unless such payment is precluded solely by the operation of any deductible and that the Insured shall give notice to the Underwriters of intent to claim for cost of removal of debris or cost of clean-up NO LATER THAN TWELVE (12) MONTHS AFTER THE DATE OF SUCH PHYSICAL LOSS OR DAMAGE.

AUTHORITIES EXCLUSION:

Notwithstanding any of the preceding provisions of this Endorsement or any provision of the Policy to which this Endorsement is attached, this Policy does not insure against loss, damage, cost, expenses, fines or penalties incurred or sustained by or imposed on the Insured at the order of any government agency, court or other authority arising from any cause whatsoever. - a. A rigid or semi-rigid insulation board made of expanded polystyrene or other materials;

ASBESTOS MATERIAL REMOVAL LIMITATION

ASBESTOS MATERIAL REMOVAL LIMITATION:

Notwithstanding that competent government authority may declare all or parts of the insured premises unfit for occupancy without removal or modifications to asbestos materials, the Company's liability is limited to the proportion represented by the cost to repair the damaged part of the premises, not the entire property. Similarly, if the policy provides any coverage for business interruption, rental value or other loss of use or occupancy, such coverage shall be limited to the time necessary to repair or replace only the damaged portion(s) of the premises.
